Alemneh Teshome

Hello, my name is Alemneh Teshome and I'm from Ethiopia. I have one brother and four sisters.

I won a Diversity Visa lottery and came to the United States. Since then, I have been living and working in Cobb County; Smyrna and Marietta.

I am living with my wife, my two children, and my mother lives with us also. I am a Christian, and a member of St. Gabriel Orthodox Tewahedo Church. I like to go to church every Sunday with my family. I am very happy living with my family.

I would like to say thank you for Habitat family to give me this opportunity!

Sincerely,
Alemneh Teshome

Please note: Alemneh is a very quiet man, and although English is not his first language, his hard work speaks for itself. As the sole provider, and driver for his family, Alemneh handles all of his responsibilities with incredible discipline and strength. The stress of living in an unhealthy and overcrowded apartment (too small and pest issues) has been extremely challenging, which is why Alemneh is motivated to become a homeowner. With your partnership, he now has the opportunity to provide a healthy and stable home for his family. Thank you for your generosity, and commitment to building homes, communities, and hope!
