

The Perry Family

Will Perry grew up in Gary, Indiana. Shortly after high school, he enlisted in the U.S. Army where he served on active duty until 1982 and in the Army Reserve until 1985. After relocating to the Atlanta area, he worked 18 years for MARTA and then as a school bus driver in Fulton County until 2012. In his 20's, Will was diagnosed with glaucoma and by 2012 it had progressed to the point he is now legally blind.

Will has one adult daughter, Brittany, who is happily married. He is raising his other two daughters, Gabriel (age 15) and Sofee'Ah (age 13), on his own. Gabby

enjoys cooking and plans to pursue this passion in college. She is already considering Johnson and Wales or the Culinary Institute of America once she graduates high school. SoFee loves reading and art. Reading peaks her imagination, which leads to her expressing herself on paper or canvas. Her dream is to attend Stanford University to become a neurosurgeon.

While Will's vision is a significant physical limitation, you would never know it to talk with him. He is extremely positive. He recently completed an advanced studies course at his church, Fellowship Bible Church in Roswell. He loves to share his testimony about how God has taken a broken man and restored him for His purposes. Due to Will's disability, a friend has stepped up to replace him on the construction site. Every homeowner is required to contribute 200 hours with the help of family and friends before moving into their own home.

The Perry Family currently lives in a townhouse in Milton. The rent is extremely high. By partnering with Habitat for Humanity-NCG, their new home will be affordable and permanent. Will and the girls could not be more excited and grateful for this blessing from God.

We build strength, stability, and self-reliance through shelter.
