When: Friday, September 20, 2019
Where: The Metropolitan Club
5895 Windward Parkway
Alpharetta, GA 30005
678-527-2000

Instructions for Chefs

As one of our celebrity chefs we ask that you bring about 150 spoon sized tastes of a recipe that is sure to be a crowd pleaser! Please remember that an appetizer is the size of a quarter (fits on cracker or toothpick). You can bring hot food if it can stay warm in the container you bring with you. No outlets will be available. Also, bring all your serving utensils. Plates will be provided. Salads, snacks, and entrees will be served in the first shift and desserts in the second. It is nice if you bring a sign that tells what you are serving.

If you are a returning chef and have a Taste of Habitat apron, please wear it. Each chef will be presented with a thank you gift commemorating the event and will be asked to stand behind a serving table for one hour and share your treats and socialize with the guests. This will leave the other hour for you to enjoy the treats others have brought. A cash bar will be available during the event as well as some musical talent. Chefs will not need a ticket for the event, but their spouses/significant others will. We ask that you arrive 10 minutes before the shift you have chosen. You may leave your dish under the skirted table and pick it up when you leave.

If you are serving on the second shift (dessert) we ask that you not put your tastes out until 8:00 so that all the desserts will come out at the same time.

If you have questions, contact Wayne Smith 404-514-4236, waynesmi@bellsouth.net.

Thank you!
